QUICK PAINT EVENTS

-Participation in a scheduled Quick Paint event is not mandatory but is encouraged.

-Artists who participate will be given a specified amount of time to create a plein air painting.

-Artists will submit their painting for judging immediately after the specified painting time for the chance of winning the designated prize. (If the prize is a purchase award, this means that the winning artist gives up their painting in return for the cash prize)

-Paintings created but not chosen as the prize winner of a Quick Paint event will still be eligible for submission in the overall Stems Plein Air Paint event as long as the back of the painting surface has been properly stamped prior to painting.
